

Blank Space

I Prevail

Nice to meet you
Where you been?
I could show you incredible things
Magic, madness, heaven, sin
Saw you there and I thought oh my god
Look at that face, you look like my next mistake
Love's a game, wanna play
hey, hey
New money, suit and tie
I can read you like a magazine
Ain't it funny rumors fly
And I know you heard about me
So hey, let's be friends
I'm dying to see how this one ends
Grab your passport and my hand
I could make the good girls bad for a weekend
So it's gonna be forever
Or it's gonna go down in flames
You can tell me when it's over
If the high was worth the pain
Got a long list of ex-lovers
They'll tell you I'm insane
Cause you know I love the players
And you love the game
Cause we're young and we're reckless
We'll take this way too far
It'll leave you breathless
Or with a nasty scar
Got a long list of ex-lovers
They'll tell you I'm insane
But I got a blank space baby
And I'll write your name
Cherry lips
Crystal skies
I could show you incredible things
Stolen kisses, pretty lies
You're the queen baby I'm your king
Find out what you want
Be that guy for a month
But the worst is yet to come
Oh no
Screaming, crying, perfect storms

I could make all the tables turn
Rose garden filled with thorns
Keep you second guessing like oh my god
Who is he? I get drunk on jealousy
But you'll come back each time you leave
Cause darling I'm a nightmare dressed like a daydream
So it's gonna be forever
Or it's gonna go down in flames
You can tell me when it's over
If the high was worth the pain
Got a long list of ex-lovers
They'll tell you I'm insane
Cause you know I love the players
And you love the game
Cause we're young and we're reckless
We'll take this way too far it'll leave you breathless
Or with a nasty scar
Got a long list of ex-lovers
They'll tell you I'm insane
But I got a blank space baby
And I'll write your name
Girls only want love if it's torture
Don't say I didn't
Don't say I didn't warn you! Uh!
It's torture! It's torture!
Don't say I didn't warn you
It's torture! It's torture!
Don't say I didn't warn you
So it's gonna be forever
Or it's gonna go down in flames
You can tell me when it's over
If the high was worth the pain
Got a long list of ex-lovers
They'll tell you I'm insane
Cause you know I love the players
And you love the game
Cause we're young and we're reckless
We'll take this way too far and leave you breathless
Or with a nasty scar
Got a long list of ex-lovers
They'll tell you I'm insane
But I got a blank space baby
And I'll write your name
