

Valentine

Ryan Leslie

VERSE 1

I don't have to say you're beautiful
You've got plenty other guys to say those words for you
and I don't have to say you run the show
all it takes is a word, i lose control for you
HOOK
i know you're not my girlfriend, but
i swear that i love you
baby i do
i know you're not my girlfriend, but
i swear that i love you
baby i do

VERSE 2

i don't have to say you stole my heart
'cause anything i have i freely give to you
and i knew right from the very start
that the only place i belong is next to you

HOOKBRIDGE

even thru all
the ups and downs
you can't stop
the way i feel now
even thru the storm
joy & pain
i won't change
still feel the same
anytime you call
i don't care
no matter the reason
i'll be there
constantly on my mind
and that's why i'm hoping
you will be my
valentine (valentine)
HOOK...and i know you love me too
VOICEBOX
i swear that i love you... yes i do
