

Lovely

Case

You're so lovely
I seen you so many times before
And I just gotta tell you

Something on my mind I need to get it through to you
Understand I'm so infatuated by you
You and me would be so hot, I cannot explain
You're so beautiful, I only wish I could know your name

You are lovely, that's what I call you babe
'Cause I don't know your name baby
Lovely, seen you a million times
You're always on my mind baby

Lovely, damn I wish we could chill
But if we can't you're still to me
Lovely, lovely is what you are to me

I've been watching you so long, I can't believe you're real
Only lately got the nerve up to let you know the deal
And to say it in a letter, better yet in this song
You're so beautiful, baby won't you just put me on?

Lovely, that's what I call you babe
'Cause I don't know your name baby
Lovely, seen you a million times
You're always on my mind baby

Lovely, damn I wish we could chill
But if we can't you're still to me
Lovely, lovely is what you are to me

Wishin' you could see that I need loving like yours baby, I do
Wishing you could be the love that I go home to every night
Hoping you and me could just be one and the same baby
You are so beautiful I just can't believe it

Lovely, that's what I call you babe
'Cause I don't know your name baby
Lovely, seen you a million times

You're always on my mind baby

Lovely, damn I wish we could chill
But if we can't you're still to me
Lovely, lovely is what you are to me baby

Lovely, lovely, lovely
Lovely is what you are to me
