

# Brilliant Bitch

SAINT JHN

[Intro]

Don't let me waiting' all night  
Know that I been waitin' all night, yeah

[Verse 1]

Ah, she ain't scared to go get it  
When them boys come, she gon' hold the yoppas  
Baby so authentic  
Too real, she can never win an Oscar  
Fuck a bag, buy a building  
Baby let it pile up to the ceilin'  
Tell me, tell me that you need this, say it like you mean it  
All I, all I, all I

[Pre-Chorus]

All I ever wanted was a Brilliant Bitch  
With a nice ass, with a Wall Street mind and a project smile  
Girl we can share a last name  
All I ever wanted was a Catholic Girl, who can move that work  
So you don't ever gotta' ask me what's my type  
I, goddamn I want a Brilliant Bitch

[Chorus]

Ayy, ayy, ayy, ay  
She ain't' bad till she got it like this  
Ayy, ayy, ayy, ay  
Goddamn I love a Brilliant Bitch  
Ass on 10, 10, 10, 10, 10, mind on 10, 10, 10  
That's that win, win, damn I love a Brilliant Bitch

[Verse 2]

Baby all about winnin'  
2 Trill, when its snowin', nigga feel it  
Know I'd do a life sentence  
Already know loss and I'm fearless  
Sayin' it loud so you feel it  
Only real niggas know what the real is  
Girl tell me what the deal is, yeah  
All, all, all I

[Pre-Chorus]

With a nice ass, with a Wall Street mind and a project smile
