

# Now That I Found You

Britney Spears

On a shameless night  
In a nameless place  
I forgot love was a hopeless case  
Til I found you  
Til I found you  
Lived a wasteful life in a hateful city  
There was no love, just pain and pity  
Til I found you  
Til I found you  
And you don't know how you saved me  
And you don't know what you gave me  
And you don't know how you saved my life  
I can see the light  
I have flown away  
I have come alive  
I am blown away  
I have felt the love  
I can see the truth  
Now that I found you  
Now that I found you  
I can live my life  
I believe in faith  
I have found myself  
I have lost the hate  
I have felt the love  
I can see the truth  
Now that I found you  
Now that I found you  
On a shameless night  
In a nameless place  
I forgot love was a hopeless case  
Til I found you  
Til I found you  
Lived a wasteful life in a hateful city  
There was no love, just pain and pity  
Til I found you  
Til I found you  
And you don't know how you saved my life  
I can see the light  
I have flown away  
I have come alive  
I am blown away

I have felt the love  
I can see the truth  
Now that I found you  
Now that I found you  
All my life I've waited  
For this day  
I've waited for you  
Now I adore you  
All my life I've waited  
For this day  
Have waited for you  
Now I adore you  
I can see the light  
I have flown away  
I have come alive  
I am blown away  
I have felt the love  
I can see the truth  
Now that I found you  
Now that I found you
