

# Easier to Love

## Sister Sledge

Sometimes it seems that way to me  
It's easier to love, don't you see  
Sometimes it seems that way to me  
It's easier to love, don't you see

Won't someone please explain, why all the hurt and the pain?  
Can't you make'em see, It's not supposed to be  
All this beautiful land, see the children playing in the sand  
I put to you this question (what cha asking?)  
Total destruction and I don't understand why (why)

Sometimes it seems that way to me  
It's easier to love, don't you see  
Sometimes it seems that way to me  
It's easier to love, don't you see  
Sometimes it seems that way to me (oh oh)  
It's easier to love, don't you see

What more can I say, war is no game you play  
Give a person a little might  
Well, that don't make him right  
And I hope and pray, oh please let the children play  
All this killing each other, you should be loving your brother  
And I don't understand why, why (why)

Sometimes it seems that way to me  
It's easier to love, don't you see  
Sometimes it seems that way to me  
It's easier to love, don't you see  
Sometimes it seems that way to me  
It's easier to love, don't you see

Yeah, let me hear you say (I do, I love you)  
Won't you say it? (I do, I love you)  
I love you (I do, I love you)  
I love you (I do, I love you)  
Say it softly (I do, I love you)  
Say it loud (I do, I love you)  
Everybody (I do, I love you)  
Won't you say it? (I do, I love you)

Say it, say it, say it  
(And I don't understand) No, no, why (why)

Sometimes it seems that way to me  
It's easier to love, don't you see  
Sometimes it seems that way to me  
It's easier to love, don't you see  
Sometimes it seems that way to me  
It's easier to love, don't you see  
Sometimes it seems that way to me  
It's easier to love, don't you see
