

Rhythm of Love

Scorpions

Lets spend the night together
I know you want it too
The magic of the moment
is what I've got for you

The heartbeat of this night
is made to lose control
And there is something in your eyes
that's longing for some more
Let us find together
the beat were looking for

(chorus)
(The rhythm of love)
keeps me dancing on the road
(The rhythm of love)
got the groove that hits the bone
(The rhythm of love)
is the game I'm looking for
(The rhythm of love)
is the heartbeat of my soul

Let's reach the top together
one night will never do
An exploding shot of pleasure
is what I've got for you

Why don't you close your eyes
and let your feeling grow?
I'll make you feel the taste of life
until your love will flow
Let us find together
the beat were longing for

(chorus)

(instrumental)

(chorus)

Let us find together

the beat were looking for
