

# End of the Road

## Boyz II Men

[Intro: Mike]

Girl, you know we belong together  
I have no time for you to be playing  
With my heart like this  
You'll be mine forever, baby, you just see

[Verse 1: Nathan]

We belong together  
And you know that I'm right  
Why do you play with my heart  
Why do you play with my mind?  
Said we'd be forever  
Said it'd never die  
How could you love me and leave me  
And never say good-bye?

[Pre-Chorus: Wanya]

When I can't sleep at night without holding you tight  
Girl, each time I try I just break down and cry  
Pain in my head oh I'd rather be dead  
Spinnin' around and around

[Chorus: All]

Although we've come to the end of the road  
Still I can't let go  
It's unnatural, you belong to me, I belong to you  
Come to the end of the road  
Still I can't let go  
It's unnatural, you belong to me, I belong to you

[Verse 2: Shawn]

Girl, I know you really love me  
You just don't realize  
You've never been there before  
It's only your first time  
Maybe I'll forgive you, hmm  
Maybe you'll try  
We should be happy together  
Forever, you and I

[Pre-Chorus: Wanya]

Will you love me again like you loved me before  
This time I want you to love me much more  
This time instead just come to my bed  
And baby, just don't let me, don't let me down

[Chorus: All & (Wanya)]

Although we've come to the end of the road  
(End of the road)  
Still I can't let go  
(The end of the road and I know I can't let go, baby)  
It's unnatural, you belong to me, I belong to you  
(I don't know what I'm gonna do)  
Come to the end of the road  
(I don't know what I'm gonna do 'cause I know I've come to the end of the road, the end of the road)  
Still I can't let go  
(Oh my God, Oh my God, help me out a little bit, baby)  
It's unnatural, you belong to me, I belong to you

[Interlude: Mike & (Shawn)]

Girl I'm here for you  
All those times of night when you just hurt me  
And just ran out with that other fella  
Baby, I knew about it, I just didn't care  
You just don't understand how much I love you do you?  
I'm here for you  
I'm not out to go out and cheat on you all night  
(Baby, I'm here for you, baby)  
Just like you did baby but that's all right  
(Baby, you tried)  
Hey, I love you anyway  
And I'm still gonna be here for you 'till my dying day, baby  
(We should be happy together forever, you and I)  
Right now, I'm just in so much pain, baby  
'Cause you just won't come back to me  
Will you? Just come back to me

[Interlude: Mike & (All)]

(Lonely)  
Yes, baby, my heart is lonely  
(Lonely)  
My heart hurts, baby  
(Lonely)  
Yes I feel pain too  
Baby, please

[Pre-Chorus: Wanya]

This time instead just come to my bed

And baby, just don't let me go

[Chorus: All & (Wanya)]

Although we've come to the end of the road

(We've come to the end of the road)

Still I can't let go

(I know I just can't let go, no)

It's unnatural (No no), you belong to me, I belong to you

(No no no no no no)

(I don't know what I'm going to do)

Come to the end of the road

(I don't know what I'm gonna do 'cause I know I've come to the end of the road, the end of the road)

Still I can't let go

(Oh my God, Oh my God, help me out a little bit, baby)

It's unnatural (baby), you belong to me (baby), I belong to you

Although we've come to the end of the road

Still I can't let go

It's unnatural, you belong to me, I belong to you

Come to the end of the road

(We've come to the end of the road)

Still I can't let go

(I know I just can't let go, no)

It's unnatural (No no), you belong to me (No no no no no no)

I belong to you
