History

One Direction

You've gotta help me, I'm losing my mind, Keep getting the feel you want to leave this all behind,

Thought we were going strong,

I thought we were holding on

Are we?No they don't teach you this in school

Now my hearts breaking and I don't know what to do

Thought we were going strong

Thought we were holding on

Are we?You and me got a whole lot of history

We could be the greatest team that the world has ever seen

You and me got a whole lot of history

So don't let it go, we can make some more, we can live forever

All of the rumours, all of the fights

But we always find a way to make it out alive

Thought we were going strong

Thought we were holding on

Are we?You and me got a whole lot of history

We could be the greatest team that the world has ever seen

You and me got a whole lot of history

So don't let it go, we can make some more, we can live foreverMinibars, expensive cars, hotel rooms and new tattoos, good champagne and private planes

But we don't need anything

Cause' the truth is out, I realise that without you here like there's just a lie

This is not the end

This is not the end

We can make it you know it, you know

You and me got a whole lot of history

We could be the greatest team that the world has ever seen

You and me got a whole lot of history

So don't let it go, we can make some more, we can live foreverYou and me got a whole lot of history

We could be the greatest team that the world has ever seen

You and me got a whole lot of history

So don't let it go, we can make some more, we can live forever

So don't let me go

So don't let me go

We can live forever

Baby don't you know

Baby don't you know

We can live forever
