

# Samson

## Regina Spektor

You are my sweetest downfall  
I loved you first  
I loved you first  
Beneath the sheets of paper lies my truth  
I have to go  
I have to go Your hair was long  
When we first met Samson went back to bed  
Not much hair left on his head  
He ate a slice of wonderbread  
And went right back to bed And history books forgot about us  
And the Bible didn't mention us  
And the Bible didn't mention us  
Not even once  
You are my sweetest downfall  
I loved you first  
I loved you first  
Beneath the stars came fallin' on our heads  
But they're just old light  
They're just old light Your hair was long  
When we first met Samson came to my bed  
Told me that my hair was red  
He told me I was beautiful  
And came into my bed Oh, I cut his hair myself one night  
A pair of dull scissors in the yellow light  
And he told me that I'd done alright  
And kissed me till the morning light, the morning light  
And he kissed me till the morning light...  
Samson went back to bed  
Not much hair left on his head  
He ate a slice of wonderbread  
And went right back to bed  
Oh, we couldn't bring the columns down  
Yeah, we couldn't destroy a single one  
And history books forgot about us  
And the Bible didn't mention us  
Not even once  
You are my sweetest downfall  
I loved you first
