

I Got My Game On

Trace Adkins

[Verse 1]

I got my game on
I step out of the shower steaming up the place
Wipe off the mirror, shave my baby face
Can't help but smile, hey what can I say
I got my game on
Put on my black silk shirt, my Armani suit, my custom made hat, my alligator boots
Slip my rings on my fingers, my new shades
Oh, I got my game on

[Chorus]

Yeah I got my game on, better hang on tight
I guarantee it's going to be a hell of a ride
I got my groove on, I got my smooth on
Yeah you ladies better watch out tonight
I got my game on

[Verse 2]

Get to the club in my caddy with my custom 24's
Flip my keys to the valet and I'm ready to roar
They're going to know the second I strut through the door
I got my game on

[Chorus]

[Verse 3]

That little hottie at the bar, just game me a wink
Flashed my Platinum card and buy her a drink
From that look she's giving me son it's a damn good thing
I got my game on better hang on tight
I guarantee it's going to be a hell of a ride I got my groove on
I got my smooth on, going rock star crazy tonight
I got my game on

[Outro]

Yeah I got my game on, game on now baby

I got my game on
