

Rock and Roll Madonna

Elton John

If anyone should see me making it down the highway
Breaking all the laws of the land
Well, don't you try to stop me, I'm going her way
And that's the way I'm sure they had it planned Well, that's my Rock-and-Roll Madonna
She's always been a lady of the road
Well, everybody wants her but no one ever gets her
Well, the freeway is the only way she knows Well, if she would only slow down for a short time
I'd get to know her just before she leaves
But she's got some fascination for that two wheel combination
And I swear it's going to be the death of me
Well, that's my Rock-and-Roll Madonna
She's always been a lady of the road
Well, everybody wants her but no one ever gets her
Well, the freeway is the only way she knows Rock on baby Well, that's my Rock-and-Roll
Madonna
She's always been a lady of the road
Well, everybody wants her but no one ever gets her
Well, the freeway is the only way she knows Let's get a little bit lower
Let's get a little bit lower
Oh, you standin' alright See me baby
When I'm, yeah, it's pretty good
Now is everybody gonna rock on with me
One more time I said
Well, that's my Rock-and-Roll Madonna, come on everybody
She's always been a lady of the road
Well, everybody wants her but no one ever gets her
Well, the freeway is the only way she knows
