

Bubbly

Roy Woods

See you shinin' on your own, fuckin' up the club
Heard summer's comin', when it's time, you fuckin' up the club
Bounce that ass, girl, you know you fuckin' up the club We poppin' bottles of bubbly (bubbly)
Bubbly (bubbly), bubbly (bubbly), yeah To my left I got a foreign (Foreign ting)
And on my right I got a lil' brown thing (Oh yeah)
They go on like they honest (Go on like they honest)
But always find out things that you ain't tellin' me
Fuck all that, let's go ride out of town in a Ghost (In a Ghost)
Just left the club for the AP and I'm the host (And I'm the host)
Do you want Tequila or Chardonnay for the toast?
To brand new seas and bikinis all on the coast
Whatcha' thinkin'? Whatcha' thinkin'?
You fuckin' up the club every weekend
Got a few hoes, got a few drinks
Situations in your head you be paintin'
'Cause now you start to feel the drugs you been taking
You took so much to get high, it don't make sense (It don't make sense)
I know you wanna ease your mind, have some patience
See you shinin' on your own, fuckin' up the club
Heard summer's comin', when it's time you, fuckin' up the club
Bounce that ass, girl, you know you fuckin' up the club
We poppin' bottles of bubbly (bubbly)
Bubbly (bubbly), bubbly (bubbly), yeah You wanna party like it's Mardi Gras
Go live a life you never had before (Yeah)
Girl, come and fuck me off the Adderall (Off the Addy')
We can involved (We can get it)
No you ain't gotta go (No)
We just tryna leave the party for another one (Yeah, yeah)
So you can keep on poppin' bottles till it's sun up
Was tired of the scene and now I'm better now
Smoking medical, things just turn around
Baby if you wanna come and take a ride with me
Come and slide with me, get high with me, it's alright
Baby, baby, it's alright
With the gang, it's alright
Baby if you wanna get high with me, slide with me
Goin' on a drive with me, it's alright
Baby, it's alright, it's alright, it's alright
See you shining on your own, fucking up the club
Heard summer's comin', when it's time, you fuckin' up the club
Bounce that ass, girl, you know you fuckin' up the club
You poppin' bottles of bubbly (bubbly)

Bubbly (bubbly), bubbly (bubbly), yeah
See you shining on your own, fucking up the club
Heard summer's comin', when it's time, you fuckin' up the club
Bounce that ass, girl, you know you fuckin' up the club
We poppin' bottles of bubbly (bubbly)
Bubbly (bubbly), bubbly (bubbly), yeahPoppin' bottles of bubbly
Poppin' bottles of bubbly
Poppin' bottles of bubbly
Up the club
