

# Not of This Earth

## Prong

Just sit down and talk to death  
It's known to teach you time again  
A something not of this earth (Not of this earth)  
That something not of earth 12 o'clock, time for bed  
Say no to waking up again  
A feeling not of this earth  
That feeling, of earth Brings no comfort  
To no reason  
Brings no comfort  
(That something not of this earth)  
To no reason  
(That something not of this, no)  
Never know where you go  
What if the intangible  
that something not of this earth  
A feeling not of earth Brings no comfort  
To no reason  
Brings no comfort  
(That something not of this earth)  
To no reason  
(That something not of this, no) All comfort, no reason, no reason  
All comfort, no reason, no reason  
All comfort, no reason, no reason Brings no comfort  
To no reason  
It brings no comfort  
(That something not of this earth)  
To no reason  
(That something not of this earth)  
Brings no comfort  
(That something not of this earth)  
To no reason  
(That something not of this earth)  
Brings no comfort  
(That something not of this earth)  
To no reason  
(That something not of this earth) It brings no comfort  
To no reason  
Brings no comfort  
To no reason Brings no comfort  
To no reason  
Brings no comfort

To no reason...
