

Call to Arms (feat. Evan Henzi)

Gareth Emery

[Verse 1]

Taking over the light now
All there is to be said has been said
Let the walls fall, let the shadows disappear
Let our story start from this moment here

[Chorus]

This is a call to arms, this is a call to arms, you know
This is a call to arms, this is a call to arms, you know

[Bridge]

My heart beats strong
Stolen words are now mounted worlds A.W.O.L
I let the quiet light in shallow fields
Now the light is taking over

[Chorus]

This is a call to arms, this is a call to arms, you know
This is a call to arms, this is a call to arms, you know
This is a call to arms, this is a call to arms, you know
This is a call to arms, this is a call to arms, you know
This is a call to arms, this is a call to arms, you know
This is a call to arms, this is a call to arms
Call to arms

[Outro]

This is a call to arms, this is a call to arms, you know
This is a call to arms, this is a call to arms, you know (to all)
