

# Lotto

## Charlie Wilson

It feels like I hit the lotto, lotto  
Eh, eh, eh, eh  
It feels like I hit the lotto, lotto  
Eh, eh, eh, eh

I've been trying to win this girl for a long time  
Now she finally belongs to me  
Ya I complain everyday, never gave up until I heard her say she'd never leave  
I tell ya, She's a dime, right mind a tellature fa show  
Sexy, so fine, looking good from head to toe  
Just can't believe I won her heart, It feels like winning a new car  
And then I hit the jack pot

It feels like I hit the lotto, lotto,lotto  
Eh, eh, eh, eh  
It feels like I hit the lotto, lotto,lotto  
Eh, eh, eh, eh

Now that she believes, I will never leave, No  
I gotta make, sure I keep her trust  
I won't let another women come between us  
I won't be caught up with dirty lust  
I tell ya Oooh, girl. can't get enough of being inside of your world  
Can't nothing, I'm addicted. and when we shared that special moment  
I can't lie, it feels like I'm one of a kind

It feels like I hit the lotto, lotto,lotto  
Eh, eh, eh, eh  
I can't lie, I can't lie  
It feels like I hit the lotto, lotto,lotto  
Eh, eh, eh, eh  
I love you, I love you babe  
It feels like I hit the lotto, lotto,lotto  
Eh, eh, eh, eh  
I can hold her, I can kiss her  
It feels like I hit the lotto, lotto,lotto  
Eh, eh, eh, eh  
I love you, I love you, I love you  
It feels like I hit the lotto

Girl I can't hold you  
I can't kiss you  
Stay right here forever  
Girl I won't hurt you, I  
Won't leave you  
I'm gonna love you 'cause

It feels like I hit the lotto, lotto  
Eh, eh, eh, eh  
I love you baby!  
It feels like I hit the lotto, lotto  
Eh, eh, eh, eh  
I can't lie, I can't lie  
It feels like I hit the lotto, lotto  
Eh, eh, eh, eh  
I can't hold ya baby  
It feels like I hit the lotto, lotto  
Eh, eh, eh, eh  
I cannot kiss ya baby  
It feels like I hit the lotto, lotto  
Eh, eh, eh, eh  
Stay right here forever
