

# Get on the Ball

## No Doubt

Don't wait too long  
Or she'll be gone fast as a blink  
Get on the ball  
If you love your lover  
No gesture too small  
Tear down the walls if you love her  
Just give it your all  
Ooo yeah you've got to tell her she's the o o only one  
Show her make sure she'll never feel aba a andoned  
Get on the ball  
If you love your lover  
No gesture too small  
Tear down the walls if you love her  
Just give it your all  
Don't wait too long  
Or she'll be gone fast as a blink  
Don't wait too long  
Or she'll be gone fast as a blink  
Don't wait too long  
Or she'll be gone fast as a blink  
Get on the ball  
If you love your lover  
No gesture too small  
Tear down the walls if you love her  
Just give it your all  
Ooo yeah, you've got to tell her she's the o-o-only one  
Show her, make sure she'll never feel aba-a-andoned  
There won't be time to even think  
So use your mind and instinct  
She'll drive you crazy  
So don't be so damn lazy  
>>trumpet solo>>  
Ooo yeah, you've got to tell her she's the o-o-only one  
Show her, make sure she'll never feel aba-a-andoned  
Don't wait too long  
Or she'll be gone fast as a blink  
Don't wait too long, uh!  
Or she'll be gone fast as a blink  
Don't wait too long  
Or she'll be gone fast as a blink  
Don't wait too long  
Or she'll be gone fast as a blink

Don't wait too long  
Don't wait too long  
Don't wait too long  
Or she'll be gone  
Don't wait too long  
Or she'll be gone fast as a ...  
Get on the ball!
