

Loved By You (feat. Jazmine Sullivan)

Mali Music

Trust me it will take your heart
Trust me it will break your heart, oh yes
It's so underrated
When we say and blame in love Trust me it will take
It will take all of it and break your heart, oh
Everyday we pray in love
To the god of it But it's so good, so good
To be loved you
Yes, it's so good, so good
To be loved you
Yes, it's so good, yah
To be loved you
Oh you know and I talk to you
It's so good, good
To be loved by you
Yah...
Now when I say take your heart
I'm not talking robbery
I'm talking lots of talks and texts the calls to be
The one we ought to see
Though talks and texts
Could get the point from A to B
My X, Y, Z and all across the board
The alphabet the calls to be
The alphabet
We're tossing lots of nets across the board
It's all on me!
Like every I
Gemini to a kwimini
And I don't cry
Eyes up, boots tied up
Is you 'him and I?
(Loving by you)
Life's due too quick man
We in at nine
(Nothing by you)
The flights due too quick, yah
We in the sky
Girl, it's so good, so good
To be loved by you
Oh yah, it's so good
To be loved by you

Yes, it's so, so, so good
To be loved by you
Yes, it's so good, good
To be loved by you
Oh you know
It's so good to be loved by you I deserve it all
I've been so hurt before
And it's hard to trust someone
But I do and it's you, and it's you
And it feels so good to be loved by you I deserve it all
I've been so hurt before
And it's hard to trust someone
But I do and it's you, and it's you
And it feels so good to be loved by you Yes, it's so good, good
To be loved by you
