

Death Is Not the End (2011 Remastered Version)

Nick Cave & The Bad Seeds

When you're sad and when you're lonely,
And you haven't got a friend
Just remember that death is not the end And all that you held sacred
Falls down and does not mend
Just remember that death is not the end
Not the end, not the end
Just remember that death is not the end When you're standing on the crossroads
That you cannot comprehend
Just remember that death is not the end And all your dreams have vanished
And you don't know what's up the bend
Just remember that death is not the end
Not the end, not the end
Just remember that death is not the end
When storm clouds gather 'round
And heavy rains descend
Just remember that death is not the end And there's no one there to comfort you
With a helping hand to lend
Just remember that death is not the end
Not the end, not the end
Just remember that death is not the end For the tree of life is growing
Where the spirit never dies
And the bright light of salvation
Up in dark and empty skies
When the cities are on fire
With the burning flesh of men
Just remember that death is not the end When you search in vain to find
Some law-abiding citizen
Just remember that death is not the end
Not the end, not the end
Just remember that death is not the end
Not the end, not the end
Just remember that death is not the end
