

The Reeling

Passion Pit

We dug these holes we crawled into now they're my home
Now here I can not feel the wind, can't feel the rain or cold
And I believe in gentle harmony
Well how I loathe all this obscenity
Is this the way my life has got to be?
Have I a single opportunity? Look at me oh look at me is this the way I'll always be
Oh no, oh no
Now I pray that somebody will quickly come and kidnap me
Oh no, oh no
Everyday I lie awake and pray to god today's the day
Oh no, oh no
Here I am oh here I am oh when will someone understand?
Oh no, oh no
And all at once I feel this, oh how it clings to me
It reels and calls me towards it, confounding destiny
And I can feel the madness inch by inch
The more I run the more I am convinced
A color all these like the branches glimpse
Just like the saddle in the foggy mist Look at me oh look at me is this the way I'll always be
Oh no, oh no
Now I pray that somebody will quickly come and kidnap me
Oh no, oh no
And everyday I lie awake and pray to god today's the day
Oh no, oh no
Here I am oh here I am oh when will someone understand?
Oh no, oh no
Look at me oh look at me is this the way I'll always be
Oh no, oh no
Now I pray that somebody will quickly come and kidnap me
Oh no, oh no
And everyday I lie awake and pray to god today's the day
Oh no, oh no
Here I am oh here I am oh when will someone understand?
Oh no, oh no
