

# Careless Whisper

Seether

I feel so unsure As I take your hand and lead you to the dance floor  
As the music dies  
Something in your eyes  
Calls to mind a silver screen  
And all its sad goodbyes I'm never gonna dance again  
These guilty feet have got no rhythm  
Though it's easy to pretend  
I know you're not a fool I should have known better than to cheat a friend  
And waste the chance that I'd been given  
So I'm never gonna dance again  
The way I danced with you  
Time can never mend  
The careless whispers of a good friend  
To the heart & mind  
Ignorance is kind  
There's no comfort in the truth  
Pain is all you'll find I'm never gonna dance again  
These guilty feet have got no rhythm  
Though it's easy to pretend  
I know you're not a fool I should have known better than to cheat a friend  
And waste the chance that I'd been given  
So I'm never gonna dance again  
The way I danced with you Tonight the music seems so loud  
I wish that we could lose this crowd  
Maybe it's better this way  
We've hurt each other with the things we want to say  
We could have been so good together  
We could have lived this dance forever  
Now who's gonna dance with me Please stay I'm never gonna dance again  
These guilty feet have got no rhythm  
Though it's easy to pretend  
I know you're not a fool I should've known better than to cheat a friend  
And waste this chance that I've been given  
So I'm never gonna dance again  
The way I danced with you
