

# Next To You

## Little Big Town

[Verse 1]

Babe, I don't wanna talk right now  
Stop, I need a little space  
Ooh, ooh  
Wait, didn't mean to say it like that  
Stay a little longer please  
I sleep a little deeper when you're next to me

[Chorus]

Don't you know you're the fire in my bones?  
You're my heart and my home  
Ooh, and I know I don't say it enough  
I've been down on my luck, my luck  
But I'll be fine in the mornin' next to you

[Verse 2]

Ooh, think I'm losin' my mind again  
Go slow, touch me like you do  
Love, come a little closer now  
I breath a little deeper when I'm next to you

[Chorus]

And don't you know you're the fire in my bones?  
You're my heart and my home  
Ooh, and I know I don't say it enough  
I've been down on my luck, my luck  
But I'll be fine in the mornin' next to you

[Bridge]

Oh-oh-oh, oh-oh-oh  
Oh-oh-oh-oh  
Oh-oh-oh, oh-oh-oh  
Oh-oh-oh-oh (Next to you)  
Oh-oh-oh, oh-oh-oh  
Oh-oh-oh-oh (Next to you)  
Oh-oh-oh, oh-oh-oh  
Oh-oh-oh-oh (Next to you)  
Oh-oh-oh, oh-oh-oh  
Oh-oh-oh-oh

[Outro]  
I'll be fine in the mornin'
