

Stuck In the Moment

Justin Bieber

[Intro]

With you, with you
I wish we had another time, I wish we had another place

[Verse 1]

Now, Romeo and Juliet
Bet they never felt the way we felt
Bonnie and Clyde never had to hide like we do, we do
You and I both know it can't work
It's all fun and games 'til someone gets hurt
And I don't, I won't let that be you

[Pre-Chorus]

Now you don't want to let go, and I don't want to let you know
That there might be something real between us two
Who knew?
Now we don't want to fall, but we're tripping in our hearts
And it's reckless and clumsy
Cause I know you can't love me here

[Chorus]

I wish we had another time, I wish we had another place
But everything we have is stuck in the moment
And there's nothing my heart can do
To fight with time and space
Cause I'm still stuck in the moment with you

[Verse 2]

See like Adam and Eve, tragedy was our destiny
Like Sonny and Cher, I don't care, I've got you baby
See we both fighting every inch of our fiber
Cause ain't no way it's going to end right but we are both too foolish to stop

[Pre-Chorus]

Now you don't want to let go, and I don't want to let you know
That there might be something real between us two
Who knew?
Now we don't want to fall, but we're tripping in our hearts
And it's reckless and clumsy

Cause I know you can't love me here

[Chorus]

I wish we had another time, I wish we had another place
But everything we have is stuck in the moment
And there's nothing my heart can do
To fight with time and space
Cause I'm still stuck in the moment with you

[Bridge]

See like just because this cold, cruel world saying we can't be
Baby, we both have the right to disagree
And I ain't with it
And I don't want to be so old and grey, reminiscing about these better days
But convention's telling us to let go
So we'll never know

[Breakdown]

I wish we had another time, I wish we had another place
Cause everything we did, and everything we have is stuck in the moment, yeah

[Chorus]

I wish we had another time, I wish we had another place
But everything we have is stuck in the moment
And there's nothing my heart can do
To fight with time and space
Cause I'm still stuck in the moment with you
