

Mean

Taylor Swift

You, with your words like knives
And swords and weapons that you use against me
You, have knocked me off my feet again
Got me feeling like I'm nothing
You, with your voice like nails on a chalkboard
Calling me out when I'm wounded
You, pickin' on the weaker man Well you can take me down
With just one single blow
But you don't know, what you don't know Someday, I'll be living in a big old city
And all you're ever gonna be is mean
Someday, I'll be big enough so you can't hit me
And all you're ever gonna be is mean
Why you gotta be so mean?
You, with your switching sides
And your wildfire lies and your humiliation
You, have pointed out my flaws again
As if I don't already see them
I walk with my head down
Trying to block you out cause I'll never impress you
I just wanna feel okay again I bet you got pushed around
Somebody made you cold
But the cycle ends right now
You can't lead me down that road
You don't know, what you don't know Someday, I'll be, living in a big old city
And all you're ever gonna be is mean
Someday, I'll be big enough so you can't hit me
And all you're ever gonna be is mean
Why you gotta be so mean?
And I can see you years from now in a bar
Talking over a football game
With that same big loud opinion but
Nobody's listening
Washed up and ranting about the same old bitter things
Drunk and grumbling on about how I can't sing. But all you are is mean
All you are is mean
And a liar, and pathetic, and alone in life
And mean, and mean, and mean, and mean But someday, I'll be, living in a big old city
And all you're ever gonna be is mean. Yeah
Someday, I'll be big enough so you can't hit me
And all you're ever gonna be is mean
Why you gotta be so?
Someday, I'll be, living in a big old city

And all you're ever gonna be is mean... Yeah
Someday, I'll be big enough so you can't hit me
And all you're ever gonna be is mean
Why you gotta be so mean?
