

# Can't Sleep Love

## Pentatonix

[Intro]

Uh huh

Yeah

[Verse 1: Scott (Mitch)]

Tell me, am I going crazy?

Tell me, have I lost my mind?

Am I just afraid of loving?

Or am I not the loving kind?

[Pre-Chorus: Scott, Kirstie & Mitch]

Kissing in the moonlight, movies on a late night

Getting old

I've been there, done that

Supposed to be hot but it's just cold

Somebody wake up my heart, light me up

Set fire to my soul, yeah

Cause I can't do it anymore

[Chorus: Kirstie, Scott & Mitch]

Gimme that can't sleep love (Gimme that can't sleep)

I want that can't sleep love (Gimme that can't sleep)

The kind I dream about all day

The kind that keeps me up all night

Gimme that can't sleep love

[Verse 2: Scott (Mitch)]

Maybe I'm too picky honey

But I'm not in the world you're in

I'm not in it for the money

I'm here looking for the real thing

[Pre-Chorus 2: Scott, Kirstie & Mitch]

Kissin' in the moonlight, movies on a late night

Gettin' old (It's gettin' old!)

I've been there, done that

Supposed to be hot but it's just cold (So, so, so cold!)

Somebody wake up my heart, light me up

Set fire to my soul (to my soul, to my soul, to my soul)

Cause' I can't do it anymore, no

[Chorus: Kirstie, Scott & Mitch]

Gimme that can't sleep love (Gimme that can't sleep)  
I want that can't sleep love (Gimme that can't sleep)  
The kind I dream about all day  
The kind that keeps me up all night  
Gimme that can't sleep love

[Bridge: Scott]

I'm tired of dreaming of no one (I'm tired)  
I need some body next to mine (I-I'm tired, yeah!)  
Cause I'm dyin' to give it to someone (give it to someone)  
Because I can't do it anymore

[Chorus: Kirstie, Scott & Mitch]

Gimme that can't sleep love (Gimme that can't sleep)  
I want that can't sleep love (Gimme that can't sleep)  
The kind I dream about all day  
The kind that keeps me up all night  
Gimme that can't sleep love
