

The Take

Woods

All you've seen the days let go
In summer breeze and wind-wept snow
Seasons change as we grow old
[?] light, you'll surely know
Get lost in each other
Get lost with it all
We take [?] from another
Oh, bury it all [?] leaves that fly in sky
You welcome day, hello sunshine
River bend and river blind
We take the take, we borrow time
(Get lost in each other)
(Get lost with it all)
(We take [?] from another)
(Oh, bury it all)
(Get lost in each other)
(Get lost with it all)
