

# Spank Thru (Live At Pine Street Theatre)

## Nirvana

This song is for the lovers out there  
And all the lights on the trees  
All the flowers have gingivitis  
And the birds fly happily We'll be together once again my love  
I need you back, oh baby baby I can't explain just why we lost it from the start  
Living without you girl, you only break my heart ... Yeah! I can feel it, I can hold it, I can pin it,  
shape it, mold it,  
I can cut it, I can taste it, spank it  
Beat it while you ... Ah, wait here  
I've been looking for days now  
Always hearing the same ol'  
City boy won't you spank thru?  
I can make you do things you won't think you ever could I can feel it, I can hold it, pin it, shape  
it, mold it,  
We can cut it, We can taste it, spank it  
Beat it 'till you ... Ah, wait here I've been looking for days now  
Always hearing the same ol'  
City boy won't you spank thru?  
I can make you do things you won't think you ever could  
I've been looking for days now  
Always hearing the same ol'  
City boy won't you spank thru?  
I can make you do things you won't think you ever could  
You won't think you ever could
