

# And We Danced (feat. Ziggy Stardust)

## Macklemore

And we danced  
And we cried  
And we laughed  
And had a really, really, really good time  
Take my hand, let's have a blast  
And remember this moment for the rest of our lives  
(Our lives!)  
Our lives  
(Our lives!)  
Our lives Oh, oh, oh, oh, oh, oh, oh, oh, oh, oh  
Tonight  
(Tonight!)  
Tonight  
(Tonight!)  
Tonight  
'Cause tonight's the night, am I right?  
Dance! Feels like night for a party  
My nature so naughty  
There's a knock on the door, it's the neighbors  
Quick cock blocking We're having a ho-down, you hoe's down? Don't let me pull my hose  
out 'Cause it's big, long, pink, strong  
And known to dance like all night long  
Grab my hand, play this song  
DJ save my life, come on Leave your fear, back off the wall  
Free of beat and pussy pop  
If you don't have a pussy  
Pop a cock into a booty  
To a booty, yeah And we danced  
And we cried  
And we laughed  
And had a really, really, really good time  
Take my hand, let's have a blast  
And remember this moment for the rest of our lives I am not, I am not going to stand on the  
wall I will dance, I will dance, I will break that ass off  
And I see you in the corner, corner looking so small  
Doing the robot like if I die tonight at least I went hard I will not, I will not give a damn who  
watches me  
I will live, I will live, liberate the fox in me  
I will be the discoball, freak and give my all To whatever girl's booty I'm freaking on  
I'm not skeeting nah, it's just freaking hot Alright I skeeted  
I will not be a mannequin, no The ego banish it  
The roof's on fire Let's burn down the Vatican

I will moonwalk to Pluto in honor of Michael Jackson  
In heaven he'll be saying that man is tight at dancing  
RIP to the king, Michael Jackson, we learned it all from you  
Dedicate this to the dance floor Party up the sorrow 'til tomorrow morning happens  
We pledge allegiance to the DJ, put your hands up And we danced  
And we cried  
And we laughed  
And had a really, really, really good time  
Take my hand, let's have a blast And remember this moment for the rest of our lives You see me  
looking at you from that bar right over there  
But your friends are huddled up and they are hating on a player  
I just want to dance with you, get on the back of you  
Tip tap the boots, extract the truth  
Da-dance with you, get on the back of you  
Da-dance, dance, dance  
Awesome! Oh-ee, oh-ee, oh  
Oh-ee, oh-ee, oh  
Hey-oh, hey-oh  
Hey-oh, hey-oh  
Uh-ah-ba-bo  
Uh-ah-ba-bo  
Zib-oh-da-we-bab-ba-dap-bop-bop  
Zib-oh-da-we-bab-ba-dap-bop-bop Ladies!  
I just wanna dance with you, I just wanna dance with you  
Come here...  
Alright, I see you go  
I just wanna dance with you, I just wanna dance with you And we danced  
And we cried  
And we laughed  
And had a really, really, really good time  
Take my hand, let's have a blast  
And remember this moment for the rest of our lives
