

If You Don't Love Me

Kylie Minogue

Written: P Macaloon1:
You can tell me anything
You can tell me anything
I'll believe you You know it too
Share the truth with lies
Set aside one flies
Will you realise
CHORUS:
If you don't love me
You don't love me
I will know
If you don't love me
You don't love me2:
You can ask me anything
You can ask me anything
I will do it
You know it too
Nothing that I'll do
If you want me to
And it's all so trueCHORUS:
I'll know
