

All-American Middle Class White Boy

Thomas Rhett

[Verse 1]

We wasn't rich, we wasn't poor
Lived on a cul-de-sac 'til my parents divorced
I drove a hand-me-down Ford pickup truck
We had to drive ten miles just to sink it in the mud
Come on, come on
Come on, come on

[Verse 2]

I went to private school for a couple of years
And I loved Jesus, but I still drank beer
I played high school football, but I didn't start
Coach said I was slow but I hit real hard

[Chorus]

Hey, hey what can I say
I grew up in the heartland USA
I sing it loud and proud and I make a lotta noise
I'm an all-American middle class white boy
Hey, hey

[Verse 3]

Lived in the sticks 'til I moved to the city
But the stars ain't as bright and the girls ain't as pretty
I still say, "Yes sir, ma'am and y'all"
So don't you be hatin' on the way I talk Hoss

[Chorus]

Hey, hey what can I say
I grew up in the heartland USA
I sing it loud and proud and I make a lotta noise
I'm an all-American middle class white boy
Hey, hey
Hey, hey
Hey

[Bridge]

I like what I like, I am what I am
And even when they lose, I'm still a Bulldog fan
I rocked DMX when I was I kid

And now I sing country music like my daddy did

[Chorus]

Hey, hey what can I say
I grew up in the heartland USA
I sing it loud and proud and I make a lotta noise
I'm an all-American
Hey, hey what can I say
I grew up in the heartland USA
I sing it loud and proud and I make a lotta noise
I'm an all-American middle class white boy
Hey
Middle class white boy
Hey
