

# That's Just What You Are

[Aimee Mann](#)

In our endeavor we are never seeing eye to eye  
No guts to serve us so forever may we wave goodbye  
And you're always telling me that it's my turn to move  
When I wonder what could make the needle jump the groove I won't fall for the oldest trick in  
the book  
So don't sit there and think you're off of the hook  
By saying there is no use changing 'cause That's just what you are  
That's just what you are Acting steady always ready to defend your fears  
What's the matter with the truth, did I offend your ears  
By suggesting that a change might be a thing to try  
Like it would kill you just to try and be a nicer guy It's not like you would lose some critical  
piece  
If somehow you moved point A to point B  
Maintaining there is no point changing 'cause  
That's just what you are  
That's just what you are Now I could talk to you till I'm blue in the face  
But we still would arrive at the very same place  
With you running around and me out of the race So maybe you're right, nobody can take  
Something older than time and hope you could make  
It better, that would be a mistake So take it just so far 'Cause that's just what you are  
That's just what you are  
That's just what you are Acting steady always ready to defend your fears  
What's the matter with the truth, did I offend your ears  
You're like a sleepwalking man, it's a danger to wake you  
Even when it is apparent where your actions will take you  
That's just what you are  
And that's just what you are  
That's just what you are  
That's just what you are
