

# **(Everybody Wanna Get Rich) Rite Away**

**Dr. John**

Hot changeGot it right in the grooveAnd a rang-a-tang JoeIs a ring-a-ding moodA little racka  
tacka tacka tacka run done thingA racka tacka tacka tacka run done thingA racka tacka tacka  
tacka run done thingEverybody wanna get rich right awayRight away, right away, right  
awayEverybody wanna get rich right awayEverybody wanna be king for a dayEverybody  
wanna get rich right awayIf you wanna be rich and you wanna be wealthyI believe I'd rather be  
poor and healthyIf you wanna be rich and you wanna be wealthyI believe I'd rather be poor and  
healthyA racka tacka tacka tacka rum-dum thingIt's a racka tacka tacka tacka rum-dum gameA  
racka tacka tacka tacka rum-dum thingIt's a racka tacka tacka tacka rum-dum game.
