## Nicky Romero & NERVO

[Verse: NERVO]

Love the way they all keep talking  
Everybody likes the sound  
But no one ever hears me crying, crying out

[Chorus: NERVO]

You make it feel like home  
You make it feel like home  
Like home (Yeah)  
Like home (Yeah)

[Post-Chorus: NERVO]

Like home  
Like home

[Verse: NERVO (Background Vocals)]

Never been so scared of losing  
But never understood the calm (Understood the calm)  
So take me where I wanna be, back in your arms

[Chorus: NERVO]

'Cause you make it feel like home  
You make it feel  
Like home (Yeah)  
Like home (Yeah)  
Like home

[Post-Chorus: NERVO]

Only you, only you, only do this  
Only you, only you, only do this  
And it's never the same, 'cause

You make it feel  
You make it feel  
Like home
