

Paint It Black

The Rolling Stones

[Verse 1]

I see a red door and I want it painted black
No colours anymore, I want them to turn black
I see the girls walk by dressed in their summer clothes
I have to turn my head until my darkness goes

[Verse 2]

I see a line of cars and they're all painted black
With flowers and my love, both never to come back
I see people turn their heads and quickly look away
Like a newborn baby, it just happens every day

[Verse 3]

I look inside myself and see my heart is black
I see my red door, I must have it painted black
Maybe then I'll fade away and not have to face the facts
It's not easy facing up when your whole world is black

[Verse 4]

No more will my green sea go turn a deeper blue
I could not foresee this thing happening to you
If I look hard enough into the setting sun
My love will laugh with me before the morning comes

[Verse 1]

I see a red door and I want it painted black
No colours anymore, I want them to turn black
I see the girls walk by dressed in their summer clothes
I have to turn my head until my darkness goes

[Bridge]

[Outro]

I wanna see it painted, painted black
Black as night, black as coal
I wanna see the sun blotted out from the sky
I wanna see it painted, painted, painted black
Yeah

[Bridge]
