Holy Grail (feat. Justin Timberlake)

JAY-Z

You take the clothes off my back And I let you You steal the food right out of my mouth And I watch you eat it I still don't know why Why I love you so much Ohhh

> You curse my name In spite to put me to shame Have my laundry in the streets Dirty or clean Give it up for fame But I still don't know why Why our love is so much

> > Yeah

And Baby

It's amazing I'm in this Maze with you I just cant crack your code One day you screaming you love me loud The next day you're so cold One day you here, one day you there, one day you care

You're so unfair

Sipping from the cup

Till it runneth over, Holy GrailBlue told me remind you niggas Fuck that shit y'all talk about

I'm the nigga, uh caught up in all these lights and cameras, uh But look what that shit did to Hammer, uh

God damnit it I like it

The bright lights is enticing

But look what it did to Tyson

All that money in one night

30 mill for one fight

But soon as all the money blows, all the pigeons take flight

Fuck the fame, keep cheating on me

What I do, I took her back, fool me twice

That's my bad, I cant even blame her for that

Enough to make me wanna murder, Momma please just get my bail

I know nobody to blame

Kurt Cobain, I did it to myself

And we all just entertainers

And were stupid, and contagious

And we all just entertainers And Baby

Its amazing Im in this maze with you

I just cant crack your code

One day you're screaming you love me loud

The next day you're so cold

One day you here, one day you there, one day you care

You're so unfair sipping from the cup

Till it runneth over, Holy GrailNow I got tattoos on my body

Psycho bitches in my lobby

I got haters in the paper

Photo shoots with paparazzi

Can't even take my daughter for a walk

See them by the corner store

I feel like I'm cornered off

Enough is enough

I'm calling this off

Who the fuck I'm kidding though?

Im getting high

Sitting low

Sliding by

In that big body

Curtains all in my window

This fame hurts

But this chain works

I think back

You asked the same person

If this is all you had to deal with

Nigga deal with

It, this shit aint work

This light work

Camera snapping, my eyes hurt

Niggas dying back where I was birthed

Fuck your iris and IRS

Get the hell up off of your high horse

You got the shit that niggas die for

Dry yours

Why you mad

Take the good with the bad

Dont throw that baby out with the bath water

Youre still alive

Still that nigga

Nigga you survived

You still getting bigger nigga

Living the life

Vanilla wafers

In a villa

Illest nigga alive

Michael Jackson thrillerAnd Baby

Its amazing I'm in this maze with you I just cant crack your code

One day you 're screaming you love me loud

The next day youre so cold
One day you here, one day you there, one day you care
You're so unfair sipping from the cups
Till it runneth over, Holy GrailYou get the air out my lungs

Whenever you need it,

And you'd take the blade right out my heart So you can watch me bleed And I still don't know why...

(Don't know why)
Why I love it so much...

Yeah...

And you play this game
In spite to drive me insane
I got it tattooed on my sleeve forever in ink
With guess who's name
But I still don't know why
(Don't know why)
Why I love it so much

Yeah...And Baby It's amazing Im in this maze with you

I just cant crack your code
One day you're screaming you love me loud
The next day youre so cold

One day you here, one day you there, one day you care
Youre so unfair

Sipping from the cup Till it runneth over, Holy Grail
