

Volcano Girls

Veruca Salt

[Chorus]

Leave me
Lying here
'Cause I don't wanna go
Leave me
Lying here
'Cause I don't wanna go
Leave me
Lying here
'Cause I don't wanna go

[Verse 1]

Tell me, tell me what you really want from me
You've got to let me know
I'm falling off and I need you terribly
One down and one to go

Volcano girls we really can't be beat
Warm us up and watch us blow
But now and then we fail and we admit defeat
We're falling off, we are watered down and fully grown

[Chorus]

Leave me
Lying here
'Cause I don't wanna go
Leave me
Lying here
'Cause I don't wanna go

[Verse 2]

A million miles of running and I hit the wall
I bounce back and I run some more
But this is it, I'm giving up, I'm calling quits
So get down and meet me on the floor

Way to go, way to flip off everyone
I steal your thunder then I try to bolt
But I could stand a little pity now and then

I'm falling off, I am watered down and fully grown

[Bridge]

Go, I don't wanna

Go, I don't wanna

Go, I don't wanna go

I told you 'bout the seether before
You know, the one that's neither or nor
Well, here's another clue if you please
The seether's Louise
One, two, three, whoa

[Chorus]

Leave me

Lying here

'Cause I don't wanna go

Leave me

Lying here

'Cause I don't wanna go

Leave me

Lying here

'Cause I don't wanna go

[Outro]

Leave me, leave me, leave me

Go, I don't wanna

Go, I don't wanna

Go, I don't wanna

Go, I don't wanna

Go!
