

# Famous

## Bhad Bhabie

Wanna love me Cuz I'm famous  
Wanna try me cuz I'm famous  
Whole world knowin what my name is  
Run up on me could be dangerous  
Hear em whisper cuz I'm famous  
Taking pictures cuz I'm famous  
I ain't budging I ain't changing  
It don't matter that I'm famous They don't tell me no (no)  
No red lights im on go (on go)  
Anythang that I want (I want)  
I can get it pronto (I get it)  
I ain't got no friends (no friends)  
Everyones on payroll  
Charge it all to the game (game)  
Stay strong won't fold  
They love me then they  
Hate me then they love me again (haters)  
First they diss my career  
Then beg for a verse in dms (why you comin back)  
First a Bentley then a coupe  
Then I went back to da benz (back to da benz)  
The internet it want me gone  
Because of all my old sins (all of my sins)  
It's controversay (controversay)  
Over every single thing that I say (everything that I say)  
Wantin me to stay in a child's place  
But I just put the payment down on my own place (fuck is you sayin Lil bitch) Wanna love me  
Cuz I'm famous  
Wanna try me cuz I'm famous  
Whole world knowin what my name is  
Run up on me could be dangerous  
Hear em whisper cuz I'm famous  
Taking pictures cuz I'm famous  
I ain't budging I ain't changing  
It don't matter that I'm famous  
Wanna love me Cuz I'm famous  
Wanna try me cuz I'm famous  
Whole world knowin what my name is  
Run up on me could be dangerous  
Hear em whisper cuz I'm famous  
Taking pictures cuz I'm famous  
I ain't budging I ain't changing

It don't matter that I'm famous  
Everywhere that I go

See yo bitch I know she a fan  
You running up you bouta get these hands  
See the guap in between these bands  
See this porsche in between the benz  
I don't wanna take a pic sometimes  
Let me do me sometimes  
Got my name all in fake news  
Wanna know who I'm talking to  
Wanna know if my mom bought a crib  
Ask if she got a P.O. too  
They follow my every move  
What that shit gotta do with you? It's controversay (controversay)  
Over every single thing that I say (everything that I say)  
Wantin me to stay in a child's place  
But I just put the down payment on my own place (fuck is you sayin Lil bitch) Wanna love me  
Cuz I'm famous  
Wanna try me cuz I'm famous  
Whole world knowin what my name is  
Run up on me could be dangerous  
Hear em whisper cuz I'm famous  
Taking pictures cuz I'm famous  
I ain't budging I ain't changing  
It don't matter that I'm famous  
Wanna love me Cuz I'm famous  
Wanna try me cuz I'm famous  
Whole world knowin what my name is  
Run up on me could be dangerous  
Hear em whisper cuz I'm famous  
Taking pictures cuz I'm famous  
I ain't budging I ain't changing  
It don't matter that I'm famous
