

# Gonna

## Blake Shelton

[Verse 1]

I'm gonna take you for a date  
Take you for a ride  
Gonna get you over there on the passenger's side  
I'm gonna put the radio on your favorite song  
I'm gonna crank it on up and get you singing along

[Chorus]

Hey, hey (hey, hey)  
Alright (alright)  
Girl I'm digging on hittin' on you tonight  
It ain't a maybe, it's hopin' I, wishin' I wanna  
It's the damn right, hold you tight, baby I'm gonna

[Verse 2]

So what's it gonna take?  
What's it gonna be?  
We can pump it on the boulevard  
Or kick it in the country  
Me and you, you and me  
Money back, guaranteed  
Love you every night in Daytona, I'm gonna

[Chorus]

Hey, hey (hey, hey)  
Alright (alright)  
Girl I'm digging on hittin' on you tonight  
It ain't a maybe, it's hopin' I, wishin' I wanna  
It's the damn right, hold you tight, baby I'm gonna

[Bridge]

Love you all night long  
Till the crickets start chirpin'  
Girl I ain't just flirting, I'm certain  
I'm working on a long term plan  
Gonna be your man  
Gonna put a little rock steady on your hand

[Chorus]

Hey, hey (hey, hey)

Alright (alright)  
Girl I'm digging on hittin' on you tonight  
It ain't a maybe, it's hopin' I, wishin' I wanna  
It's the damn right, hold you tight, baby I'm gonna

[Chorus]  
Hey, hey (hey, hey)  
Alright (alright)  
Girl I'm digging on hittin' on you tonight  
It ain't a maybe, it's hopin' I, wishin' I wanna  
It's the damn right, hold you tight, baby I'm gonna

[Outro]  
Hey, hey (hey, hey)  
Alright (alright)  
Ooh  
Hey, hey (hey, hey)  
Alright (alright)
