

Objection (Tango)

Shakira

It's not her fault that she's so irresistible
But all the damage she's caused isn't fixable
Every twenty seconds you repeat her name
But when it comes to me, you don't care
If I'm alive or dead So objection, I don't wanna be the exception
To get a bit of your attention
I love you for free, and I'm not your mother
But you don't even bother Objection, I'm tired of this triangle
Got dizzy dancing tango
I'm falling apart in your hands again
No way, I've got to get away
Next to her cheap silicon, I look minimal
That's why in front of your eyes I'm invisible
But you gotta know small things also count
You better put your feet on the ground
And see what it's about So objection, I don't wanna be the exception
To get a bit of your attention
I love you for free, and I'm not your mother
But you don't even bother I'm tied to the angles of this triangle
Got dizzy dancing tango
I'm falling apart in your hands again
No way, no, no, no, no I wish there was a chance for you and me
I wish you couldn't find a place to be
Away from here
This is pathetic and sardonic, it's sadistic and psychotic
Tango is not for three, was never meant to be
But you can try it, rehearse it, or train like a horse
But don't you count on me
Oh, don't you count on me, boy Objection, I don't wanna be the exception
To get a bit of your attention
I love you for free, and I'm not your mother
But you don't even bother Objection, I'm tired of this triangle
Got dizzy dancing tango
I'm falling apart in your hands again
No way, I've got to get away Get away
Get away, eh, eh, eh
Get away I'm falling apart in your hands again
Get away
I'm falling apart in your hands again
Get away
Get away
