

Shattered (feat. Runn)

MitiS

[Verse 1]

Brick by brick I feel something shift inside of me (inside of me)
Said I'd quit?walking?up on this?with every piece you're getting into?me

[Pre-Chorus]

Oh, didn't see it coming, I was caught off guard
Now I'm running right into your arms
Used to feeling nothing, then I fell so hard
I tried to hide in my heart of glass
But you went and you shattered that

[Chorus]

You shattered that
Yeah, you shattered that
And you shattered that
Ooh, you shattered that

[Verse 2]

Can't you see what was underneath?
I tried to hide it, but then we collided
And now here's me, baring everything
And I hope you like it, I hope you like it

[Pre-Chorus]

Oh, didn't see it coming, I was caught off guard
Now I'm running right into your arms
Used to feeling nothing, then I fell so hard
I tried to hide in my heart of glass
But you went and you shattered that
Yeah, you shattered that
Oh, you shattered that
Ooh, you shattered that
Ooh
Oh, you shattered that
Oh, you shattered that
Tried to hide my heart in glass
But you went and you shattered that

[Chorus]

You shattered that

Ohh
Yeah, you shattered that
And you shattered that
You shattered that
Yeah, you shattered that
Tried to hide in my heart of glass
But you went and you shattered that

[Outro]
Didn't see it coming, I was caught off guard
And now I'm running right into your arms
Used to feeling nothing, then I fell so hard
Tried to hide in my heart of glass
But you went and you shattered that
