

# Time Will Teach Us All (feat. Stevie Wonder)

Julian Lennon

Hans poulsen and john christie  
From dave clark's 1986 musical "time" Tragedy feels like a melody  
We've got to listen to  
From time to time History feels like a part of me  
Is every century  
A spiral we all climb? I guess time will teach us all  
Time will teach us all  
Time will teach us all  
Time will teach us all Time will teach us all  
Time will teach us all  
Time will teach us all  
Time will teach us all  
Is there something here to find  
Something invisible--underlined?  
And could it possible be  
That everything might some day  
Come clear for me? I guess time will teach us all  
Time will teach us all  
Time will teach us all  
Time will teach us all I guess time will teach us all  
Time will teach us all  
Time will teach us all  
Time will teach us all You don't need me to tell you  
What's gone wrong  
You know what's going on  
I guess time will teach us all  
Time will teach us all  
Time will teach us all  
Time will teach us all
