

# Million Miles from Home

## Dune

I was sent to outer space to find another happy place  
Now I'm left here all alone, million miles away from home  
Floating through the galaxy, all the stars in front of me  
Now I'm left here all alone, million miles away from home  
Million miles away, million miles away  
Million miles away, million miles away  
Million miles away, million miles away  
I was sent to outer space to find another happy place  
Now I'm left here all alone, million miles away from home  
Floating through the galaxy, all the stars in front of me  
Now I'm left here all alone, million miles away from home  
I was sent to outer space to find another happy place  
Now I'm left here all alone, million miles away from home  
Floating through the galaxy, all the stars in front of me  
Now I'm left here all alone, million miles away from home  
Million miles away, million miles away  
Million miles away, million miles away  
Million miles away, million miles away  
I was sent to outer space to find another happy place  
Now I'm left here all alone, million miles from home  
Floating through the galaxy, all the stars in front of me  
Now I'm left here all alone, million miles from home  
I was sent to outer space to find another happy place  
Now I'm left here all alone, million miles away from home  
Floating through the galaxy, all the stars in front of me  
Now I'm left here all alone, million miles away from home  
I was sent to outer space to find another happy place  
Now I'm left here all alone, million miles away from home
