\* censored before release; only radio edit exists

[Fingazz]  
I wanna be  
I wanna...  
I wanna be stuck with you  
I wanna be  
I wanna...

Hook: Fingazz  
I do it, I do it for you  
Cause I wanna be stuck with you  
I do it, I do it for you  
Cause I wanna be stuck with you

[Lil' Rob (Fingazz in background)]  
(Verse 1)

I could all day watching you  
Girl, I'm just a man, I'm not stalking you  
I've had many conversations with many women  
But, for some reason, I can't talk to you (No)  
You don't wanna hear them lies  
I'm sure it happens a lot, you probably hear 'em all the time (Yeah)  
But I bull[{'\*shit\*'}] you not  
I like you a lot  
And I just wanna be on your mind  
Maybe I can head to your spot  
And pick you up around seven o'clock  
And we can do, whatever you want  
However you like  
And we don't ever have to stop  
Your smile brightens up a room  
And I don't think I'd ever get enough of you (No)  
Girl, I just really wanna [{'\*fuck\*'}] with you  
And I really wouldn't mind being stuck with you

Pre-Hook: Fingazz  
So what you say, girl  
Just tell me what to do  
I need to know what it takes

To get you stuck on me too

Repeat Hook

Chorus: Lil' Rob (Fingazz)

I wouldn't mind being stuck with you (Stuck with you)  
Girl, I can't get enough of you (Girl)  
And there ain't nothing that I won't do (No)  
Will do the good and the rough with you (Yeah)  
I wouldn't mind being stuck with you (Stuck with you)  
Girl, I can't get enough of you (Girl)  
And there ain't nothing that I won't do (No)  
I do anything you ask me to (Yeah)

(Verse 2)

And I don't wanna too fast  
[{\*Fuck\*}] around, fall in love and crash  
But anytime with you would be worth it  
A lifetime with you would be perfect  
You're beautiful and intelligent too  
The last thing you need is an arrogant fool  
Who don't know how to treat someone like you  
It's lucky for you that I do (I do)  
Hey, don't let no one get you down  
Not even me, but I won't let you down  
Smiles on my face when you come around  
But, when you leave, it turns upside down (Why)  
You can read my professions to my expressions  
My expressions will answer any questions  
I only have eyes for you  
I only want you  
And I won't accept no exceptions

Repeat Pre-Hook, Hook & Chorus

(Verse 3)

And there ain't nothing that I won't do  
I'll pull a star from the sky for you  
If you ask me to  
I want to be more than just a friend  
I'll only stop to start again  
If I could talk to you, what would you say  
What are the chances you'll feel the same way  
Would you say you're in love with me  
And that you want nothing more than to be stuck with me (Girl, just let know)

Repeat Pre-Hook

Repeat Hook Twice

Repeat Pre-Hook

[Fingazz]

I do it, I do it for you  
Cause I wanna be stuck with you (You...)
