So American

Portugal. The Man

If pain was a color to paint on you

Your heart would be the color blue

Be a painting, hung up there 'til your body met your head Which were made of silverYou are the one they call Jesus Christ

Who didn't know no rock and roll

Just a mission made of guns that they give boys in Vietnam But they always told himThere's a madness in us all

There's a madness in us allSo

Who broke the rules?

Who broke the rules?

Who broke the rules?

They said

Every one of you will never try to lend a hand When the policemen don't understandOh, you boys, all you boys

Think you're so American

Girls, all you girls

They're so AmericanHe may not be born of this land

But he was born of this world

He was born of all the mothers

And the colors of our brothers

And the love that we sent himYou are the one they call Jesus Christ

You may not know no rock and roll

There may not be a heaven or a place in which to send you

But you know in the end

There's a madness in us all

There's a madness in us all

There's a madness in us all

There's a madness in us allSo

Who broke the rules?

Who broke the rules?

Who broke the rules? They say

Every one of you will never try to lend a hand

When the policemen don't understandBoys, all you boys

Think you're so American

Girls, all you girls

Yeah, you're so AmericanThere's two eyes for every one of us

But somebody got there first and took them all

There's two eyes for every one of us

But somebody got there first and took them allMan, oh, man

Think you're so American

Man, oh, man

Yeah, you're so AmericanMan, oh, man

You think you're so American Man, oh, man Yeah, you're so AmericanThere's two eyes for every one of us But somebody got there first and took them all There's two eyes for every one of us But somebody got there first and took them all
