

Own It

Ella Mai

I've been waiting for you
Got my t-shirt in my palms I put the na-na in naughty
Begging for it, got you on your knees
Didn't make it to the bedroom, we can do it there too
Whatever's your fantasy I'm ready and waiting
'Cause who could love like me? Nobody, nobody, nobody, nobody
Knowing your body, talk about how your body need my body
Won't be no games when you get home
I know you're on your way 'till we get caught up in the way
You turn the night into morning
I keep you up, keep it going
Make you feel a way
Yeah, I don't hide my ways so tell me get it, I own it
(Own it, own it, own it)
Ooh yeah, ooh yeah
I'ma let you play with this
Play that shit, stay in it, uh
Oh, just tell me you wan it
Think I love the taste of it
Take a whole damn plate of it
Baby, save that shit
(Own it, own it, own it) You make me feel the burn and desires (ooh, ho-hoo)
'Cause you ignite the fire in me
You always giving to temptation, needed on the daily
I can be the fix you crave
I'm ready and waiting
'Cause who could love like me? Nobody, nobody, nobody, nobody
Knowing your body, talk about how your body need my body
Won't be no games when you get home I know you're on your way 'till we get caught up in the

To be honest I thought you knew
Maybe I lied
Maybe I wanna come through
