The Worst

Jhené Aiko

Tell me whatcha say now?
Tell me whatcha say
Come again?If you cannot stay down
Then you do not have to pretend
Like there is no way out
I shoulda never let you in
Cause you got me face downAnd don't take it personal
But you're the worst
You know what you've done to me
And although it hurts I know
I just can't keep runnin' away[Hook] I don't need you (x4)
But I want you
I don't mean to (x4)
But I love youTell me whatcha say now
Tell me whatcha say?
You said that you would come again
You [said] that we would remain friends but
You know that I do not depend on
Nothing or no one
So why would you show up
So uninvited then
Just change my mind like that
Please don't take this personal
But you ain't shit
And you weren't special
Til I made you so
You better act like you know
That I been through worse than you
I just can't keep runnin awayHookEverybody's like
He's no item
Please don't like em
He don't wife em
He one nights em
I never listen
No
I should have figured though
All that shit you was spittin'
So unoriginal
But it was you
So I was with it
And tell you the truth
Wish we never did itCause I usually do
Stick to the business

But you came out the blue
And then you just flipped it
God damn baby
My mind's blown
I be forgettin'
You live in a different time zone
I think I know what this is
It's just the time's wrong
And yea
I know what you did
But baby I'm grown
And my love is patient
And kind, and shit
If this is real we can build
And do different types of shit
If you was really the realest
Wouldn't be fightin' it
I think your pride is just
In the way
(like a bitch)
Funny how everything changed
Once you got all that you wanted
Nothing was ever the same
