

# Watermelon Moonshine

## Lainey Wilson

It was right after senior year  
Just before the summer disappeared  
We went a-ridin' them old farm ruts  
Hangin' out on the gate of his truck  
We threw a blanket 'neath the sunset  
    Bein' brave as 18 gets  
We gave each other more than our hearts  
    With the help of a mason jar  
    Drinkin' watermelon moonshine  
    We cut the burn with a little lime  
    Parkin' back in them kudzu vines  
I was his and every bit of that boy was mine  
    Too young to know what love was  
    But we were learnin' on a sweet buzz  
    There's never nothin' like the first time  
    And mine's always gonna taste like  
    Watermelon moonshine  
I don't remember where we got it from  
I just remember feelin' all grown up  
    Takin' pulls like it ain't no thing  
    Never told him it was my first drink  
    But I told him that he was the one  
You're so sure when you're that young  
    You think you got it all figured out  
    And now I laugh when I think about  
    Drinkin' watermelon moonshine  
    We cut the burn with a little lime  
    Parkin' back in them kudzu vines  
I was his and every bit of that boy was mine  
    Too young to know what love was  
    But we were learnin' on a sweet buzz  
    There's never nothin' like the first time  
    And mine's always gonna taste like  
    Watermelon moonshine  
I thought that high would last forever  
    But that ain't what it does  
    Maybe we were drunk in love  
    Or maybe we were just...  
    Drinkin' watermelon moonshine  
    We cut the burn with a little lime  
    Parkin' back in them kudzu vines  
I was his and every bit of that boy was mine  
    Too young to know what love was

But we were learnin' on a sweet buzz  
There's never nothin' like the first time  
And mine's always gonna taste like  
Watermelon moonshine
