

Comedown

Bush

love and hate get it wrong
she cut me right back down to size
sleep the day let it fade
who was there to take your place

no one knows never will
mostly me but mostly you
what do you say do you do
when it all comes down

I don't want to come back down
from this cloud
it's taken me all this time
to find out what I need

I don't want to come back down
from this cloud
it's taken me all this
all this time

there is no blame only shame
when you beg you just complain
more I come more I try
all police are paranoid

so am I so's the future
so are you be a creature
what do you say do you do
when it all comes down

I don't want to come back down
from this cloud
it's taken me all this time
to find out what I need

I don't want to come back down
from this cloud
it's taken me all this
all this time
