

Two Weeks

FKA twigs

I know it hurts, you know I'd quench that thirst
(I can treat you better than her)
You say you're lonely, I say you'll think about it
'Cause you're the only one who resonates
That chase, mouth open like high Higher than a motherfucker, dreaming of you as my lover
Flying like a streamer thinking of new ways to do each other
Pull out the incisor, give me two weeks, you won't recognize her
Mouth open you're high I know it hurts, you know I'd put you first
(I can fuck you better than her)
You say you want me, I say you'll live without it
Unless you're the only one who instigates
Get your mouth open you're high
Higher than a motherfucker, dreaming of you as my lover
Flying like a streamer, thinking of new ways to do each other
Pull out the incisor, give me two weeks, you won't recognize her
Mouth open, you're high Feel your body closing, I can rip it open
Suck me up, I'm healing for the shit you're dealing
Smoke on your skin to get those pretty eyes rolling
My thighs are apart for when you're ready to breathe in
Suck me up, I'm healing for the shit you're dealing
High motherfucker, get your mouth open, you know you're mine I'll put you first, just close your
eyes and dream about it
(Higher than a motherfucker, dreaming of you as my lover)
I'll quench your thirst, just chase the high and stop your doubting
(Flying like a streamer thinking of new ways to do each other)
High, High
Higher than a motherfucker, dreaming of you as my lover
Flying like a streamer, thinking of new ways to do each other
Pull out the incisor, give me two weeks, you won't recognize her
Mouth open, you're high
