Guy Sebastian

Sometimes I wonder what it would be like
If I could go back in time
I would go back, stop myself from making
The biggest mistake of my life
And we had it good so why'd we risk it
It wasn't broke so why'd we fix it
Sometimes I wish that I could hit reverse Tell me what can I say
Tell me what can I do
Can I make you stay
Can I hit undo
Tell me is there a way
Cause I know never to
Can I make you stay
Can I hit undo
Now I realise that this will never work
And love has reached the end
Yeah I realise
But I don't understand why you and I
Can't just go back to being friends I had my cake so why'd I eat it
Wish that I could just apple z it
Somebody show me how to hit reverse [Chorus]
Don't say that it's all or nothing
All I'm asking for is something
That we can find a way
To make it alright
Don't say that it's all too late now
I don't want this to be our fate now
Somebody show me how to get back where we started [Chorus]
